TO THE MEMBERS OF THE COMMON COUNCIL

Ladies and Gentlemen:

J-94-05-11

Attached please find a Special Ordinance to approve the municipal yard waste pick-up agreement with Browning Ferris Industries of Indiana, Inc. This bidder was substantially lower than any other bidder for this service.

As a result of having contract with the City of Fort Wayne, they will be locating a district office in the city.

This contract will result in providing yard waste pick-up at a significantly lower price than other solid waste.

The contract follows the solid waste specification for service cost adjustment. Pick-up costs are adjusted on 80% of the cost of living index for this area. Disposal cost adjustments are based in changes in regulations. They are not tied to landfill increases which are not based on regulatory changes.

Very truly yours,

CITY OF FORT WAYNE BOARD OF
PUBLIC WORKS

R. David Boyer
Associate City Attorney
